Grades AS & A Level

Dear Students and Parents
Greetings!

Welcome back to school on **Monday, 6 July 2026!** We hope you had a refreshing and enjoyable summer break and are ready to begin another exciting phase of learning, growth, and achievement. As you return to the classroom, embrace new opportunities, challenge yourselves, and make the most of every experience that awaits you.

This year is especially significant as our school proudly celebrates 20 years of excellence in education. Together, let us honour this remarkable milestone by striving for excellence, upholding our values, and creating many more memorable moments as part of this inspiring legacy.

The summer school schedule will be strictly followed from **7:50 a.m. to 2:30 p.m.** We request all students to arrive before 7:50 a.m. so that classes can commence smoothly and no valuable learning time is lost. Punctuality is not only essential for academic progress but also a cornerstone in building discipline and responsibility. We count on your cooperation to ensure that our students uphold these values from the very beginning.

Assessment Updates (2026–2027):

- **Formative Assessments** will continue to support learning but **will not be graded**. However, these are mandatory.
- **Summative Assessments** (scaled between **20–40 marks**) will be conducted in cycles during the **first week of September** and the **first week of November** to monitor students' ongoing academic progress and preparation.
- The **Mock 1 Examination for AS and A** will begin in the last week of November 2026.
- The **detailed assessment schedule** will be shared **three weeks in advance**.

We look forward to welcoming you on Monday, 6th July 2026, with renewed enthusiasm, positivity, and a determination to make this year your best yet. Wishing you a successful and inspiring return to school!

Warm Regards

Geetanjali

Ms. Geetanjali Diwan
