Samshodhana 2026

Dear Sir/Ma'am,

Greetings from the National Service Scheme, Shri Ram College of Commerce (SRCC), University of Delhi.

We are pleased to introduce **Samshodhana 2026**, the flagship national-level online research internship of NSS SRCC. The program is designed to introduce students to the fundamentals of research and equip them with essential skills such as critical thinking, analytical reasoning, academic writing, and problem-solving.

The internship will be conducted from **25th July 2026 to 25th August 2026** and is **completely free of cost**. Through a series of expert-led sessions, guided assignments, and mentorship, participants will explore contemporary social, economic, educational, technological, and environmental issues while developing a structured research paper of their own. The program aims to bridge the gap between classroom learning and real-world inquiry by encouraging students to investigate problems that matter to their communities and society at large.

Guidance throughout the internship will be provided by academicians, researchers, and professionals from reputed institutions and organizations. The internship will culminate in a keynote speaker session and a closing ceremony celebrating the achievements and learning of the participants.

Upon successful completion of the internship, participants will receive a **Certificate of Completion from Shri Ram College of Commerce (SRCC)**. This certificate will serve as a valuable addition to their academic profile and support their future applications for higher education, internships, scholarships, and other academic opportunities.

We would be grateful if you could share the attached brochure and registration details with students of **Classes XI and XII** who may be interested in research and interdisciplinary learning.

Kindly note: If the registration link shared previously was not working, please use the **updated registration link** provided in this email.

Application link- <https://forms.gle/SNG3NwnbKTULB3nJ9>

Thank you for your support. We look forward to the participation of students from your esteemed institution.

Warm Regards

Geetanjali
