STEM Racing India Supported by Formula 1® - G4 & G5

Dear Students and Parents,

We are thrilled to share with you an exciting educational opportunity that our school is participating in

- STEM Racing India Supported by Formula 1®

What is F1 in Schools India?

F1 in Schools is the world's largest STEM challenge where school students aged between 9-19 years have the opportunity to design miniature Formula 1 cars using advanced CAD/CAM tools and manufacture their designs on a CNC machine.

Benefits of STEMplify Platform:

- STEM Learning programs and projects by STEM Racing India Supported by Formula 1®
- Online STEM Challenges and Competitions
- Skill development activities for practice followed by expert feedback sessions
- STEM Certification Courses
- Participation in the F1 in Schools India, World's Largest STEM Challenge.

The curriculum covers a wide range of skills, including Autodesk Fusion 360 design, marketing and sponsorship skills, project management, 3D printing and CNC manufacturing and verbal presentation.

Students will participate in teams of 3-6. Registration Fee per Individual - **Rs 5000**** (Fees - Only for this year)

This includes-

- Registration with STEM Racing India Supported by Formula 1,
