Option for In-School Attendance during Online Classes: G 4 – G5

Dear Students and Parents,
Greetings!

This is with reference to the continuation of online classes due to the severe pollution levels in Delhi–NCR. We understand that this situation has been particularly challenging for working parents, and many of you have expressed concern about managing children at home during school hours.

To support families in different situations, we are offering **both options** for students of **Grades 4 and 5** from tomorrow i.e. **Thursday, 20th November 2025**.

1. Option 1: Attend School Physically

- Parents who wish may **send their children to school**.
- Students coming to school will have **regular, in-person classes** with their teacher as per the timetable.

2. Option 2: Attend Classes Online from Home

- The **same lessons will be live-streamed** from the classroom using the usual links.
- Students who remain at home can join the classes online and follow the **regular timetable and lesson flow**.

However, we request your cooperation and understanding on the following important point:

- While the teacher will be conducting lessons in class and keeping the online link active, it is **not possible for the teacher to give equal individual attention** to students in the classroom and those joining from home at the same time.
- Therefore, **students attending from home will need to take responsibility for:**
 - Joining classes on time,
 - Listening carefully and following instructions,
 - Completing classwork and homework as assigned.

We encourage you to choose the option that best suits your child and family's circumstances, while keeping their health, safety, and learning continuity in mind.

Warm regards,

Mrs. Tejinder Kaur

Head of School (IB & Cambridge)
