

Term 1 Session 2024-25												
Grade	Subject	Category	Week 1 & 2 (April 2 - April 12)	Week 3 (April 15 - April 19)	Week 4 & 5 (April 22 - May 3)	Week 6 & 7 (May 6 - May 17)	Week 8 & 9 (July 1 - July 12)	Week 10 & 11 (July 15 - July 26)	Week 12 & 13 (July 29 - July 31) (Aug 5 - Aug 10)	Week 14, 15 & 16 (Aug 12 - Aug 17) (Aug 19 - Aug 30)	Week 17 (02 Sep - 07 Sep)	
IGCSE 2 (Grade 10)	English Language (8500) Ms. Sakshi	Topics Covered	Revision- Narrative Writing- Vocabulary- Simile/foreshadowing-Plot Structure	Narrative Writing Final Draft- Self Assessment	Descriptive Writing	-Writers Effects - Word Category Analysis -SA - Exam Style question on Narrative/Descriptive Writing -Writers Effects - Descriptive Writing	Revision - Writers Effects, Comprehension and Narrative Writing - FA - Writers Effects	Revision - Writers Effects, Comprehension, Summary Writing and Directed Writing	Revision - Comprehension, Summary Writing and Directed Writing	Revision - Paper 2, ESL - Comprehension	Revision - Paper 2 Directed Writing, ESL - Email Writing	
	English Literature (0475) Ms Anikita	Topics Covered	Introduction to Tennessee Williams Analysis of the opening stage scene of the play titled 'A streetcar named Desire' Scene 1	Annotation of Scene 1 Analyzing Blanche's motivation Context of the play	Scene Two - Themes of Illusion vs Reality-Reading and Analyzing Scene 3 and 4 - Analysis of the scenes and annotating understanding Blanche's psyche -Theme of isolation	Scene 5 - 11 analysing and annotating. Theme of Illusion vs reality Intertextuality with To Kill a Mockingbird - Psychoanalysis	Scene 6 - 11 analysing and annotating. Theme of Illusion vs reality Intertextuality with To Kill a Mockingbird - Psychoanalysis	Scene 6 - 11 analysing and annotating. Theme of Illusion vs reality Intertextuality with To Kill a Mockingbird - Psychoanalysis	Scene 6 - 11 analysing and annotating. Theme of Illusion vs reality Intertextuality with To Kill a Mockingbird - Psychoanalysis	A Midsummer Night's Dream (Act 1 - Act 3) Reading and Analysis	A Midsummer Night's Dream by William Shakespeare - annotations - exam style questions and Act 4	
	Hindi Ms. Rashmi Agnihotri	Topics Covered	अनुसंधान, कथन, कथन, कथन का शरीर	अनुसंधान, कथन, कथन, कथन का शरीर	अनुसंधान, कथन, कथन, कथन का शरीर	अनुसंधान, कथन, कथन, कथन का शरीर	अनुसंधान, कथन, कथन, कथन का शरीर	अनुसंधान, कथन, कथन, कथन का शरीर	अनुसंधान, कथन, कथन, कथन का शरीर	अनुसंधान, कथन, कथन, कथन का शरीर	अनुसंधान, कथन, कथन, कथन का शरीर	
	Spanish Ms. Kashish	Topics Covered	--	--	--	--	--	--	--	--	--	
	French Ms. Khushboo Jain	Topics Covered	Comparative Writing a comparative sentence Ville, Vi campagne	Superlative & reading comprehension	--	Ma vie scolaire	Ma vie de travail	Reading Comprehension, Writing Practice, narrative, Person-Paraphrase	Person-Paraphrase, Article writing, Portable	Unit -10, portable, reason, occasion, exclamation, subjunctive, Blog writing	Past paper questions Practice	
	Computer Science Ms. Garima Rajvanshi	Topics Covered	Hardware-Computer architecture	Hardware-Input devices	Hardware- Workbook exercise Output devices: Printer, Speakers, Projectors	Hardware- Sensors-Data Storage-Network hardware-Exam Style Questions	The internet and its associated style questions-Software Types of software and internet	Software-Types of software and internet	Software-TranslatedExam style questions	Paper 2-Practice of 15 marker Questions from the Past Papers	Paper 2-Practice of 15 marker Questions from the Past Papers	
	ICT Mrs. Tejinder Kaur	Topics Covered	Networks - What are Networks? How does it help us? Various devices used for the Networks.	Networks- LAN and WAN -Advantages and disadvantages -Wireless LAN's	MS Excel-Functions and Formulas-Relative and absolute reference	The effect of IT-II Analysis, In Excel	-All the tools related to input are completed			Data Safety & Security	Practical - Power Point Presentation Revision: Chap 19	
	Math Ms. Geeta Joshi	Topics Covered	Simultaneous linear equations - Linear inequalities - Equations in 2 variables	Completing the square - Quadratic Equations	Solving equations to solve problems - Using and rearranging	Functions & Function notation - Trigonometry	Scale factor-Rearranging-Trigonometry in Three dimensions-Graphs in trigonometry	Managing money/Graph drawing/Graph sketching and drawing of quadratic graphs	Graphing graphs for cubic equations sketching graphs of cubic equations	Translations and Vectors	Probability	
	Physics Mr. Vipin	Topics Covered	Introduction of ATP Component and details discussion-Introduction	Magnetism - Solenoid-Electromagnet -ATP	Ohm's Law experiment - Exam style questions of Magnetism	Practical Activity based on light ATP questions discussion - Exam Style questions of chapter 18 - C	Electromagnetic Induction-Nuclear-Atom Radioactivity-ATP Past paper Practice	Revision of chapters for SA	Earth and Solar System-States and Universe-Currents completed the REVISION THROUGH MARCH AND JUNE 2024 QUESTION PAPER OF ATP	Revision From past papers	Revision From past papers	
	Chemistry Ms. Poorvi Garg	Topics Covered	Preparation of Salts: Crystallisation-Titration-Solubility of salts	Practical of Crystallisation, Preparation of Salts	Practical of double salts, Periodic Table, Trends in Periodic Table Atomic Radius and its variations, Atomic Size and Ionization.	Practical of salt analysis for lead and nitrate ions. SA of Unit 10 (Acids, Bases and Salts) Trends	Structure of Matter: Types of Matter and their Differentiated Extension 3. Extension	Reaction of Organic Chemistry: Combination Reaction2. Substitution Reaction	Types of Error Paper	Revision Year Papers Practice	Revision Year Papers Practice	
	Biology Ms. Sarika Ahuja	Topics Covered	Introduction to the Biology Curriculum of IGCSE-2 Unit 14 - Reproduction in Plants -Mating types and importance of reproduction -Difference between sexual and asexual reproduction -Types of asexual reproduction. Special cases of asexual reproduction -Structure and parts of a flower -Pollination and its types. Practice of the above concepts done through worksheets. Hand copy of the worksheet given in the class, and each copy is already uploaded in the science google classroom. Reading material in the form of power point slides also shared in the google classroom.	Unit 14 - Reproduction in Plants (Continued) -Fertilisation in a flower -Post Fertilisation changes in a flower -Seed dispersal and germination -Alternatives to Practical - Investigating the conditions necessary for the germination of seed. -Asexual Reproduction in Rhizomes- Concept of Sucker -Coversheet questions of Unit 14.	Unit 14 - Reproduction in Plants -Chen test for Reproduction in Plants. Unit 15 Introduction to Human gametes. -Female reproductive system. -Male reproductive system. -Anatomical sex and fluid -Placenta and umbilical cord. -Fertilisation and Implantation	Unit 15 - Reproduction in Humans -Phases of Menstrual cycle. -Hormonal control of Menstrual cycle -Sexually transmitted diseases - AIDS -Comparison between plant reproduction and human reproduction Above concepts have been practised through Worksheets and coversheet questions.	Unit 16 - Chromosomes, genes and proteins- Structure of chromosomes- Mitosis	Unit 16 - Chromosomes, genes and proteins- Exam styled questions - Revision	Unit 17 - Variation and selection -Artificial selection/selective breeding -Antibiotic resistance in Bacteria -Comparison of natural selection and artificial selection. Discussion of the questions/answers and marking scheme of summative assessments held on 26th July and 30th July, 2024	Unit 18 - Organisms and their environment - Food chain and food webs- Ecology - Coversheet questions Revision through past paper- Paper 62 of Oct-Nov 2023	Unit 19 - Humans influence on Ecosystems - Coversheet questions Revision through past paper- Paper 62 of Oct-Nov 2023	
	Business Studies Ms. Sumita Bhatia	Topics Covered	Operations Management-Decision-Making-The main factors influencing	External influences on business activity	External influences on business activity	Economic Issues	Economic issues-low government control over the economy affects business activity and how business	Chapter 20-Business and the International Economy-The importance of globalisation	The impact of exchange rate changes - Depreciation and appreciation of a unit	Unit 5- Financial Information and decisionsChapter 20-Business	Unit 5- Financial Information and decisionsChapter 20- Cash-flow forecasting and ratios	
	Economics Mr. Gagan Singh	Topics Covered	Chapter - 21, Firm and Production Chapter - 22, Firm costs, revenue	Chapter 22: (continued) Firm Costs, Revenue	Unit - 4: Government and the Microeconomy Chapter- 25, The	Revision of Ch-12 & Ch- 22 -Combined Firmwise Assessment -Combined Semester Assessment -Standard with Chapter - 26, Fiscal Policies The Budget Reasons for government spending	Chapter 26 Fiscal Policy Define the Budget Analyse the measures for government spending Analyse the measures for supply-side Describe the different types of Taxes Explain the Principles of taxation Impact of taxation on Consumers, Producers and the Economy Define Fiscal Policy Discuss the effect of Fiscal Policy on government macro economic aims Chapter 27 Monetary Policy Define the Monetary Supply Define the Monetary Policy Analyse Monetary Policy Instruments Discuss the effects of monetary Policy on Government macroeconomic aims Chapter - 28: The macroeconomic aims of the government - Government's macroeconomic aims - Reasons why government aims for Economic growth- Low unemployment - Price stability - Balance of payments stability Chapter - 29 Manufacturing Accounts prime cost and factory overheads understand and make adjustments for work in progress calculate factory cost of production prepare manufacturing accounts, income statements and statements of financial position make adjustments to financial statements Chapter 31 Living Standards Types of ratios, definitions and Capital income statements, statements of changes in equity and statements of financial position Chapter 32 Analysis and Interpretation of Profitability ratios - return on capital employed Problems of data from companies Causes of accounting statements	Chapter 26 Fiscal Policy Define the Budget Analyse the measures for government spending Analyse the measures for supply-side Describe the different types of Taxes Explain the Principles of taxation Impact of taxation on Consumers, Producers and the Economy Define Fiscal Policy Discuss the effect of Fiscal Policy on government macro economic aims Chapter 27 Monetary Policy Define the Monetary Supply Define the Monetary Policy Analyse Monetary Policy Instruments Discuss the effects of monetary Policy on Government macroeconomic aims Chapter 28 Supply Side Policy Define Supply Side Policy Analyse supply side policy measures (Education and Training, Labour Market reforms, Lower Direct Taxes, Disincentives, improving incentives to work and invest, Privatization) Discuss the effects of supply side policy on government macroeconomic aims Chapter 29 Economic Growth Define Economic Growth Analyse the causes of a recession Analyse the Causes of Economic Growth Discuss the effectiveness of policies available to counter economic aims Chapter 30 Employment and Unemployment Define employment, unemployment and full employment Analyse the causes and nature of the change in Pattern of Employment Describe how unemployment is measured Describe the causes and types of unemployment Discuss the consequences of Unemployment Chapter 31 Living Standards Types of ratios, definitions and Capital income statements, statements of changes in equity and statements of financial position Chapter 32 Analysis and Interpretation of Profitability ratios - return on capital employed Problems of data from companies Causes of accounting statements	Chapter 28 Supply Side Policy Define Supply Side Policy Analyse supply side policy measures (Education and Training, Labour Market reforms, Lower Direct Taxes, Disincentives, improving incentives to work and invest, Privatization) Discuss the effects of supply side policy on government macroeconomic aims Chapter 29 Economic Growth Define Economic Growth Analyse the causes of a recession Analyse the Causes of Economic Growth Discuss the effectiveness of policies available to counter economic aims Chapter 30 Employment and Unemployment Define employment, unemployment and full employment Analyse the causes and nature of the change in Pattern of Employment Describe how unemployment is measured Describe the causes and types of unemployment Discuss the consequences of Unemployment Chapter 31 Living Standards Types of ratios, definitions and Capital income statements, statements of changes in equity and statements of financial position Chapter 32 Analysis and Interpretation of Profitability ratios - return on capital employed Problems of data from companies Causes of accounting statements	Define Inflation and Deflation Describe how inflation and deflation are measured Analyse the causes of inflation Discuss the consequences of inflation Discuss the effectiveness of policies available to control inflation Analyse the causes of deflation Discuss the consequences of deflation Discuss the effectiveness of policies available to counter deflation Describe possible policy conflicts Chapter 33 Living Standards Define the indicators and characteristics of real GDP per head and HDI as indicators of Living Standards Explain how income and wealth inequality is measured Analyse the reasons for differences in living standards and income distribution within and between countries Chapter 34 Globalisation Define Globalisation Explain the causes and consequences of Globalisation Discuss the effects of Globalisation on different countries Discuss the effects of Globalisation on different countries		
	Accounting Ms. Shilpa Arora	Topics Covered	-Accounting treatment for depreciation -Accounting treatment for	-Meaning and purpose of Suspense account	-Control Accounts - Meaning and Purpose-Advantages of control A	-Accounts for Clubs and societies-Difference between Receipts and payment & Income and exp A	-Advantages and Disadvantages of partnership Importance and contents of a partnership agreement Partnership as an incorporated account Difference between capital and current accounts Draw up partners' capital and current accounts Raised interest on partners' loans, interest on capital, interest on drawings, partners' salaries	Chapter 20 Manufacturing Accounts prime cost and factory overheads understand and make adjustments for work in progress calculate factory cost of production prepare manufacturing accounts, income statements and statements of financial position make adjustments to financial statements Chapter 31 Living Standards Types of ratios, definitions and Capital income statements, statements of changes in equity and statements of financial position Chapter 32 Analysis and Interpretation of Profitability ratios - return on capital employed Problems of data from companies Causes of accounting statements	Chapter 20 Manufacturing Accounts prime cost and factory overheads understand and make adjustments for work in progress calculate factory cost of production prepare manufacturing accounts, income statements and statements of financial position make adjustments to financial statements Chapter 31 Living Standards Types of ratios, definitions and Capital income statements, statements of changes in equity and statements of financial position Chapter 32 Analysis and Interpretation of Profitability ratios - return on capital employed Problems of data from companies Causes of accounting statements	Chapter 20 Manufacturing Accounts prime cost and factory overheads understand and make adjustments for work in progress calculate factory cost of production prepare manufacturing accounts, income statements and statements of financial position make adjustments to financial statements Chapter 31 Living Standards Types of ratios, definitions and Capital income statements, statements of changes in equity and statements of financial position Chapter 32 Analysis and Interpretation of Profitability ratios - return on capital employed Problems of data from companies Causes of accounting statements	Chapter 20 Manufacturing Accounts prime cost and factory overheads understand and make adjustments for work in progress calculate factory cost of production prepare manufacturing accounts, income statements and statements of financial position make adjustments to financial statements Chapter 31 Living Standards Types of ratios, definitions and Capital income statements, statements of changes in equity and statements of financial position Chapter 32 Analysis and Interpretation of Profitability ratios - return on capital employed Problems of data from companies Causes of accounting statements	
	Art & Design Ms. Alphee Kumar	Topics Covered	-Component -1 Selection of themes Introduction to prep sheets	-Component 1 (based on selected theme) collection of primary resources Introduction to Prep sheets 1&2	Primary resources (prep sheets work) - perspective drawing	Art Research Works based on the themes	Prep Sheet preparation (research work) artist study (basic sketches)	Prep Sheet preparation (research work) artist study (basic sketches)	Creating Prep Sheets	Creating Prep Sheets	Creating Prep Sheets	
	Global Perspectives Ms. Anikita Boral	Topics Covered	Forming a research question Individual report	Individual Report Problem solving skill	Individual Report Spoken discussion Introduction to a group task	-Researching Skills Spoken discussion Introduction to a group project	Planning and executing elements of the team project	Planning and executing elements of the team project	Planning and executing elements of the team project	Component 1 - Written Paper Q)	Component 1 - written exam - writing exam style questions on Globalisation	
	Wellbeing Ms. Vanya Chadha	Topics Covered	Detailed discussion on wellbeing Activity on Sharing perspective towards wellbeing, wherein the students wrote their own perspective of wellbeing The wellbeing huge activity, wherein the students created their own huge depicting all the aspects that are covered in their well-being	Conceptual understanding towards dimensions of wellbeing Discussion on the wellbeing huge activity. The students shared the aspects present on their huge - Dimensions	Group discussion activity was conducted on the numerous dimensions of wellbeing Detailed discussion of emotions and the various Sources of emotions using conceptual videos and exemplar situations Acknowledging emotions worksheet was given to the students to enhance their understanding of emotions based on their reflections towards different emotions Reflections on the ways of responding towards Positive and negative emotions using exemplar situations	Discussion on healthy lifestyle with the help of Quiz activity Detailed conceptual understanding of healthy lifestyle using an exposure to our activity on maintaining healthy lifestyle Workshop on Scholarships in India & Abroad	Discussion on healthy lifestyle with the help of Quiz activity Detailed conceptual understanding of healthy lifestyle using an exposure to our activity on maintaining healthy lifestyle Workshop on Scholarships in India & Abroad	Impact of Screen time on healthy activity Group Power presentation activity on healthy lifestyle.	Continuation of Group power presentation on healthy lifestyle. Discussion about profile building	Detailed discussion on the aspects of profile building including the importance of knowledge and social work Discussion about career interests	Sharing of perspective countries and content of interest. Detailed discussion about SWOT analysis with help of an exemplar activity.
